## Class History

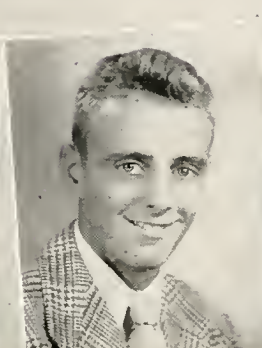

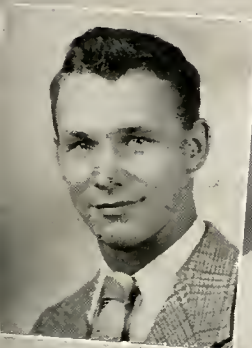

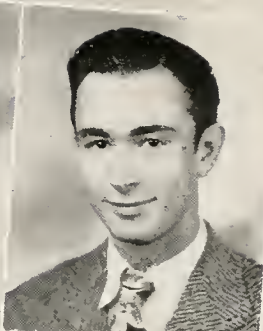

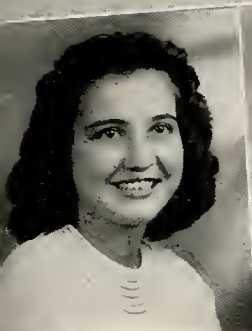

We, the class of "48", have climbed the first twelve steps to the door of adulthood and now must say farewell and start on our next flight of steps.

When we entered school in the first grade, President Roosevelt had just begun his second term. Our country was just recovering from a national depression which had hit our country hard. Being fully recovered from this depression, war came. We were in the seventh grade at this time, proud that we were finally in junior high school.

We thought the war would last only a short time, but it lasted longer than we expected and affected us and everyone around us. We saw our brothers, sisters, and teachers going off to war. Then we were freshmen, joining clubs and organizations, thinking ourselves really big. At this time President Roosevelt died and Vice President Truman took his place. The mighty atomic bomb exploded over Hiroshima. Peace was declared and our boys started coming home. Some of the ever-friendly faces were again seen on the faculty. Peace was ours but we had paid a great price for it.

Now we were sophomores, able to understand about reconversion. We began to see bubble gum come back on the market. The gas shortage stopped and we once more could go to out-of-town games. Then came our Junior-Senior Prom and Class plays. The new 1946-47 cars came on the market. The United Nations Organization was formed. Our football team with many of the boys from our class in it became the "best".

Now we are ready for the climax of our high school life—Graduation! Though we look eagerly forward to our future, we must admit that, now that we're leaving it, we shall miss Old Napoleon High.

# Class Poem

Cum Zeke, n' Nate, n' Puny Mae  
And bring along yer slate  
And rattle up yer pencil box—  
We're 'bout ter grad-chu-ate!

There h'ain't no doubt that Mr. Titus will  
Erect a mon-yew-ment  
To keep our mem'ries fresh until  
The smell of us has went.

T'weren't more than twenty yar ago  
When we were little kids  
A stranger rid acrost the ridge  
And everybody hid.

The stranger's name was Mr. Sturdy-vant  
He rid upon a mule  
He tole mah pappy that sad day  
Thet I must go tuh skule!!

Our pappies got together then  
And hogtied Merl and Tom  
And then they put sum pants on Norm  
And he was forced to cum!

So we danced up the hickory stick  
To "Readin'-Ritin' Blues"  
Till we begun our High Skule Daze  
And had tuh put on shoes!

And then we met with C.D.B.  
A solid, portly gent  
An' lots of feemale teecheers, too  
(the men to war had went).

An' thar we larned tuh go with gurls  
An' stay out late at nite  
An' how tuh bang a locker shet  
An' how tuh cuss an' fite.

We offen snuk frum studdy hall  
An' sumtimes snuk frum skule  
We larned to play a juke box good  
An' how to win at pool.

"Gene" larned to whistle like a wolf  
"Shartz" larned the "soulful look"  
An' when our "schoolin'" got too dull  
We sometimes looked in books.

But now we're 'bout ter grad-chu-ate  
Our Hi Skule daze is dun  
An' if our heads h'ain't packed real tight  
By cracky, we've had fun!

# Class Will

We, the class of 1948, of Napoleon High School in the County of Henry and the State of Ohio, being of sound mind and memory and considering the uncertainty of this frail and transitory life and hoping to graduate sooner or later from said High School do, therefore, make, ordain, publish and declare, this to be our first and last Will and Testament:

First, we order and direct all our just and unjust debts to be paid.

PROFESSOR LOMBARDI

Once again the Napoleon High School Band has proved itself the best in Northwestern Ohio.

With its new uniforms adding much glamor, the band made many trips to the various homecomings and brought back highest honors each time. We are especially proud of the honors won by them at Sandusky and the trophy won at the Toledo Aquarama.

The large crowds at the football games were again entertained by their fine formations at the half-time.

At an appreciation dinner given for the band, Professor Mike Lombardi was presented a wrist watch as a token of appreciation from the music lovers of Napoleon.

There is something about the band that is hard to describe, but it is always there. The spirit, the cooperation, and the work. It all makes the organization one of the very best in Napoleon High School.

## Orchestra

As one of the more exclusive music organizations of the school, the orchestra has completed another successful year.

With new music and two practice sessions a week, the members were able to offer a varied program at the many places where they performed. Clubs of the town could always depend on the orchestra to give a fine performance at their special meetings and dinners. The air of tension during the class plays was lifted by the orchestra's music.

The orchestra of Napoleon will always be one of the best, because its members know how to appreciate good music.

The Boys' Glee Club through the careful supervision of Mr. Davis and the guidance of President Gene Mohler, has done much to interest boys in singing and introduce them to good music which in later life may be more enjoyable.

A great deal of interest and enthusiasm was shown in the numerous concerts, dances and parties which proved to be very successful throughout the year.

The Girls' Glee Club this year has been one of the best Napoleon High School has ever had. Under the direction of Mr. Davis, the girls have developed their voices and have become interested in good music.

This year was the first year the Glee Club has acted as a regular club. Throughout the year it has sponsored dances, sold tickets to concerts, had parties and presented a concert.

In the future we hope this organization will continue its good work, and be a benefit to the school and the community.

## Serenaders

"What would we do without them? We would be dancing to records that's what. The Serenaders played at the after-the-game dances, and many other school affairs. They kept up on all the latest hits of the day and still played some of the old "smoothies."

Yes, our Serenaders were good!! Thanks a lot kids.

# Student Council

The fundamental purpose of the Student Council is to provide democratic experience for students through participation in the management of their school affairs. A general grouping of specific purposes are to furnish citizenship training, allow pupils to participate in or manage extra-curriculum affairs, promote general welfare, provide for pupil expression, furnish a working model of government and other miscellaneous functions.

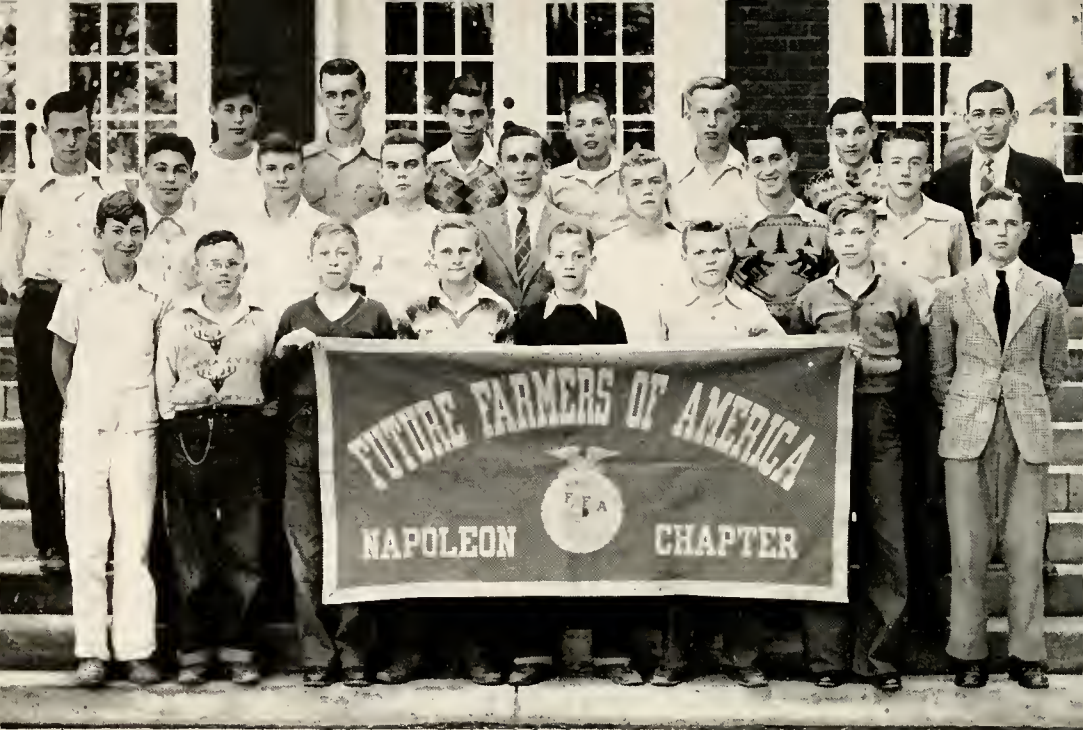

The Student Council, with the cooperation of the student body and under the supervision of Mr. Titus, completed the eleventh year of Student Council work in N.H.S. The Council started the season with a successful homecoming. They then undertook the installation of a Public Address System which was formally dedicated November twelfth. Their next major undertaking was an amateur program which was held the first of February. The fifth of April the Council sponsored a Spring Carnival. Last but not least a one hundred dollar scholarship was awarded to the most deserving senior.

# F. H. A.

The Future Homemakers of America is the national organization of students studying homemaking in junior and senior high schools of the U. S. and Territories. It has as its purposes, to promote a growing appreciation of the joys and satisfactions of homemaking, to emphasize the importance of worthy home membership, to encourage democracy in home and community life, to work for good home and family life for all, to promote international good will, to foster the development of creative leadership in home and community life, to provide wholesome individual and group recreation, and to further interest in home economics.

The local chapter of F.H.A. meets twice monthly for social and business purposes. In December the F.H.A. sponsored a Christmas tea for the mothers of members of the organization. This affair is a tradition of the N.H.S. group. The club contributes to social life of the school by sponsoring school dances. This year they entered a float for the homecoming parade. In March they entertained F.H.A. chapters from organized clubs throughout the county, having previously sent a large group to the first county meeting last fall.

This year the Hi-Y has sent cards to the patients in the hospital each week and have sponsored several dances during the school year.

The organization changed its name the past year from G.R. to Y-Teens due to the fact that they wanted to remain under the Y.W.C.A. The aim of the Y-Teens is to make better women, thru helping others and sharing and growing in friendship.

## German Club

The Deutsche Verein is a newly organized club of the German classes under the supervision of Miss Colvin. Its aims are to understand and speak German more clearly, study the German customs, further interests in Germany's culture and and collect food and clothing to send to needy families in Germany.

In the school year the organization has sent several boxes to Germany, mastered an innumerable amount of songs in German, presented a program of German Christmas carols over the P.A. System and have in their command a sufficient knowledge of German script to write it legibly.

## French Club

This year the students of the French classes have organized a club called the Cercle Francais. The object of this club is to become more familiar with French life and French customs; to be able to speak the language more fluently; and to read it more easily.

Our main project this year was sending boxes to various French families at Christmas time and Easter. We sent six boxes. Articles most welcomed were clothing and coffee—both of which are scarce in France. We learned some French songs and a few short plays.

## Retail

The Retailing Club is one of N.H.S.'s newer organizations. It was organized by Mr. Kenneth Andrews, and the members of his retailing class formed the club.

It is the goal of Mr. Andrews to help prepare these students correctly for their future jobs.

They sold school pins to the students, sponsored dances, visited large department stores in Toledo and also Fort Wayne.

Good luck, future retailers!

## College

The College Club is an organization consisting of the senior English class under the supervision of Mr. Johnson.

The purpose of the club is to aid the students in selecting the college they wish to attend.

In the past year the members were guests of Bowling Green State University for a day. They toured the campus and were offered the use of the University Library.

## Debate

The debate squad, coached by Mr. Hawver, consisted of thirty debaters this season, most of them being juniors, with a squad in each of the freshmen, sophomore and senior classes.

The debaters had a full season of over one hundred debates. Some of these debates were tournaments, exhibitions, triangles, and exchanges. The exhibition debates were made at schools where debate has not as yet been offered, where they hope to start debate.

Due to the fact that most of the debate squad will return next season, the debaters are looking for a bigger and better squad next year.

## Science Club

The Science Club, an entirely new and different organization, has been added to the list of extra-curricular activities available to the student of Napoleon High School. This is the first one of its kind that has ever been tried out in this school system.

The members of this club hope to increase their knowledge of science, to learn to perfect their skills in science, to give service in their community and nation, to understand the importance of science in their lives, and to help carry out the program of Science Clubs of America.

This club, though still in its first year, is enlarging its program of activities and making it better and more efficient as the year progresses. Don't be surprised if the Science Club becomes one of Napoleon High School's leading clubs in the years to come.

Score of  
Defiance Game.  
Yea! We Won!

For the first time in several years the Napoleon Wildcats football team is the holder of the N.W.O.L. championship.

Napoleon came through with eight wins and only 2 losses to teams not in the league.

In the first league tussle the Naps chalked up 20 points over Montpelier's 13. Next victims were the tough and revengeful eleven of Defiance, who snarled into a 14-0 start, but slunk away defeated by a one-point margin, 21-20. Liberty Center went under easily, 25-0. The Bryan-Napoleon score came as a pleasant surprise with the locals hitting pay dirt for 34 points over the Bears' 0. And then the grand finale game when Napoleon scalped the Wauseon Indians, 37-13.

Paul Shartzter, veteran quarter back, won the D. C. Brown Award for his outstanding service to his football team this year. The 'Cats are losing him along with Leroy Dachenhaus, Bob Hoover, Mel Brink, Dick Grant, Dick Owens, and Gene Mohler. These boys as well as the remaining players and the coaches can be proud of the hard-fought achievement of the Wildcat 1947 football team.

## G. A. A.

The Girls' Athletic Association of Napoleon is one of the most important and popular clubs in school. The membership is limited to all girls who participate in some sport, such as basketball, volleyball, soccer, or bowling.

They have a point system whereby you can get an emblem, letter and pin. It takes 300 points for an emblem, 700 points for a letter, and 1100 points for a pin.

Jerry Hayes very generously allows the girls use of the bowling alley on Monday after school. There the gals learn the technique of bowling, how to score, and other things about the game. There is a bowling pin, which the girl who has the highest score for the year, gets her name engraved.

Treasurer - Romaine Neuhauser

Each year the G.A.A. sponsors two all-star games, the all-star volleyball game and the all star basketball game. The persons on these teams are selected from the best players on the various class teams. Their teams are usually called the Blue Devils and the White Angels. Very appropriate???

The girls have a chance to display their various talents on "Play Night." The all-star basketball game is played then. There is also modern dancing, tumbling, calisthenics, clowns and formations. This is a big night for the gals because everything they do all year leads up to this one night.

This year Miss Kay Court took over the duties as our new advisor. She proved very helpful and was also a great friend to the students. Miss Court plans to add tennis and archery to our program this spring.

Yes, N.H.S. can be proud of the G.A.A. for it trains the girls for good, healthy living.

## Jr. High Football

The Junior High football team played a complete freshman schedule this year with about four freshman, the rest of the team was composed of seventh and eighth graders and a few sixth graders. The lads were excellently coached by John Swearingen.

The highlights of their games are as follows: Their first game with Bryan. They had bigger men than we, but were easy to knock down. It was a good game, but no one could get over to score.

The second game was played with Defiance. Unfortunately they scored three times and made one extra point. The game ended 10-0.

The next game was played at Swanton. Our only touchdown was scored by Shartzter. The final was 24-6 in favor of Swanton.

The last game was with Defiance played here. The team was out-fitted in new jerseys, but these brought us no luck. We lost 6-0.

The team wasn't too successful but everyone is looking for a better season next year. Good luck Jr. High.

# Graduates of '47

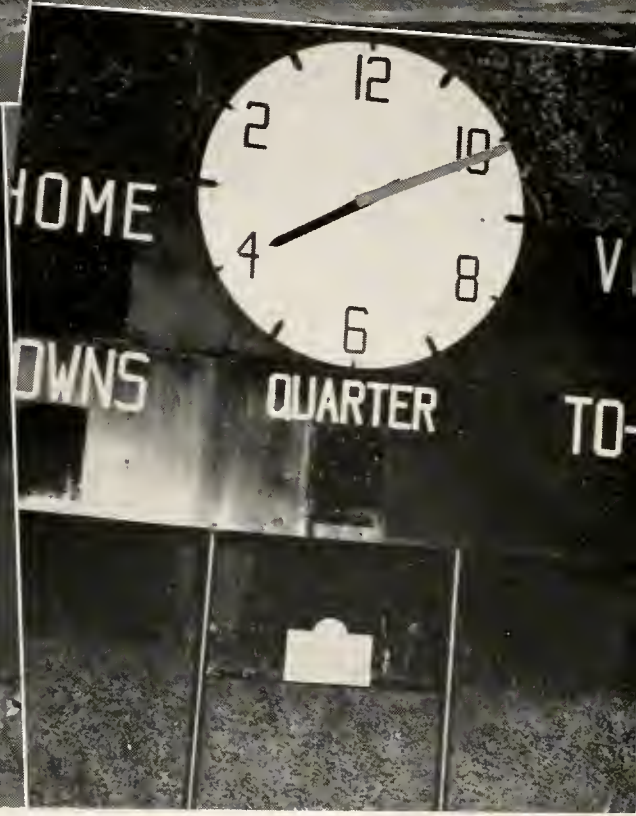

Our first pep session, and boy what a pep session!! The gals outdid themselves. We had a big roaring fire back of the school. Up in the corner we see Mr. Hawver talking (as usual) by the bonfire.

Before the pep session we had a huge snake dance all over town, stopping at every corner to yell. We're stopping at the Bank corner to yell now, when we see Louis making that odd face and I betya' the cheerleaders didn't know their picture was being taken.

After the pep session was over everyone went over to see our guys practicing for the big game with Defiance. They really got a work-out.

P.S. We won!!!
